EDUCATION

Northeastern University | Boston, MA | BS Chemical Engineering **Apr 2028**
Organic Chemistry 2, Thermodynamics, Differential Equations, Linear Algebra, Transport Processes

SKILLS

Lab Courses: Organic Chemistry 1&2, Physics for Engineering 1&2, General Chemistry

Software: AutoCAD | SolidWorks | MATLAB | HTML/CSS | Aspen | MS Office

Programming: C++/CLion | Arduino | JavaScript

Languages: Greek (Native) | Spanish (Elementary Proficiency)

PROJECTS

Website Portfolio Development | New York, NY | Personal Venture **Jun 2025-**

- Built personal portfolio website from scratch using HTML and CSS
- Implemented dynamic JavaScript filtering and navigation across website

Board Game Development | New York, NY | Personal Venture **Jan 2025-**

- Designed strategic board game from concept to viable MVP
- Tested iteratively new concepts with groups of students with diverse backgrounds
- Modeled game pieces with SolidWorks and 3D printers
- Authored ruleset with AB testing to develop clear learning experience for new players
- Negotiated with manufacturing facilities to begin producing game for customers

Clean Water Filter | Boston, MA | Northeastern University **Jan-May (2025)**

- Collaborated with team of 3 to develop affordable filters for areas in need
- Constructed water filter with cardboard, re-purposed plastic, and laser printed parts
- Analyzed prototype to determine effectiveness and improve design

Autonomous Robot Project | Boston, MA | Northeastern University **Sep-Dec (2024)**

- Coordinated with partner to program robot to escape maze
- Programmed with Arduino to ensure robot could choose best path through any maze

WORK EXPERIENCE

Youth Instructor | New York, NY | Brooklyn Boulders Queensbridge **Jun 2023-**

- Provided belay support and convey climbing instruction for youth climbers
- Developed leadership and communication skills in a high-responsibility environment

Team Member | Boston, MA | Clover Food Labs **Sep 2025-May 2026**

- Maintained high standards of cleanliness and organization in kitchen and dining areas
- Supported team members to ensure excellent customer service and daily operations

Busser | New York, NY | Nisi Estiatorio **Jul-Dec 2025**

- Sustained efficient table turnover and guest satisfaction at high volume hours
- Facilitated with servers and kitchen staff to maintain smooth operations

INTERESTS

- Magic: The Gathering Club Founder/Leader | Metalcore Vocalist | Advanced Rock Climber
- Journaling Daily Life | Reading Philosophy and Psychology | Off-grid Enthusiast
